COVID Update: not much change in the North Country

Property owners in the town have given permission for a tower

Bill Uebele: there is a concerned citizen in the town who doesn't want the Fayle Road topped, until the bridge is completed.

Supervisor: I'm sure if it gets destroyed while the county is working in the Fayle Road Bridge the county will take care of it

James wondered if the town has the same policy as the county, where the town employees can respond to an emergency without losing time and leave early for classes

Supervisor: there has never been a problem before, if there has been an emergency the guys need to go they can go

As for classes, they don't usually start till 6^{pm} or 7^{pm} and the guys get out at 4:30 in his opinion that's plenty of time to go home, shower, eat and get to a class.

Bill Uebele made a motion to adjourn the meeting. Joe Gagliano seconded the motion. Motion carries.

Ayes: W. Uebele, W. Farber, B. Taylor, J. Gagliano M. Mosher

Amanda La Rue
