

**RESOLUTION TO RETURN TO LOCAL TOWN BOOKKEEPING AND ACQUIRE ENHANCED BUSINESS SERVICES SOFTWARE**

BY: Brian Taylor

Whereas, the Town of Morehouse was audited by the Comptroller's Office and it was determined that changes were needed, and

Whereas, the Town Board and the Town Supervisor have been implementing said changes, but more capacity in the Town Office is necessary for the Supervisor, and

Whereas, a comparison of the annual cost for Account Software versus the cost for the contract with Hamilton County indicates that making a change would allow funding for someone to be present in the Office more hours a week, and

Whereas, the Town Board would like a greater presence in the Town Office, and

Whereas, the County has indicated a willingness to terminate the current agreement. Now therefore be it

Resolved, that the purchase of updated Enhanced Business Services Software is hereby authorized to allow a return to local bookkeeping effective July 1, 2022.

Seconded by William Uebele and adopted by the following vote

Ayes: Taylor, Uebele, Mosher, and Farber

Nays: None

*Amanda Harber*  
*Town Clerk*
